Phase Two – Exploratory regional Workshops:

Workshop 1 – Metropolitan Region of Belo Horizonte 13 May, 2013
Warming up...Waste picker Tia Cleia welcomes women with poetry
Women introduce each other...
Session one: Women autonomy is....

“Women need to be united if they want to fulfill their potential” (Maria Aparecida)
...Autonomy: at home, sexuality, at the workplace, at the national movement
Autonomy’s Tree
Session: Feminilities and Masculinities...
Discussing differences men/women...
Closure: Working towards a gender workplan at the movement...

The women discussed at the closing session: difficulties/obstacles faced; habilities/knowledge required to fight these obstacles; changes within society as a whole and the movement in particular. The ensuing phases of this exploratory project were presented and the role of these women in bringing about changes towards gender equity.
